Looking for a space to study with your mates with free WiFi?  
The library has a dedicated study room available for you.  
The WiFi password is available at the desk

## Children's Book Week 2018

Over 1,500 young people from across Leeton shire participated in our recent Children's Book Week events. The younger children were taken on a fairy tale adventure, with characters from a number of fairy tales.

Primary school students were inspired and entertained by author Jack Heath who performed at the Roxy Theatre. Jack is the author of more than 20 books for adults and children, including 300 Minutes of Danger and the LIARS series.

Feedback from children, teachers, parents and carers was overwhelmingly positive – and we thank everyone who came along for helping to make Leeton's Book Week so fabulous!

Do you need help with technology? The Library may be able to help you.

Using your library membership you can access a range of on-line self-paced lessons on computers, tablets, mobile phones etc.

You can access this through our website :

[leetonlibrary.com.au](http://leetonlibrary.com.au)

then click on *Library from Home* and select  
*Online Computer Courses*.

Don't panic Charlie Brown!

Lost books usually turn up when you least expect it. Keep looking and perhaps check with us to see if it is already back at the library.

Also Leeton library does not fine you for an overdue book. We are just happy to get our books back.
