## What are Brain Games?

Brain games are held every Wednesday at 2pm-3pm in the library. They are a series of puzzles, mazes, memory, word and number games to challenge your brain.

You are only competing against yourself.

There is no pressure to complete or even try every task and the atmosphere is very friendly and welcoming.

All sessions conclude with a short relaxation exercise and a cuppa.

All adults welcome.

Gold coin donation appreciated.

**Why not come along and give it a try?**

**Our last session for 2018 will be December 19  
and the first session for 2019 will be January 9**

## Inter-library loans

We can not hold every book ever published. However we can widen our chances of finding what you need by requesting it from another library. There is a small non-refundable charge for this inter-library service plus any additional charges the source may charge.

Keep up to date with what is happening at the library and find us on Facebook.

We are posting regularly, including information such as events, author of the week, some very funny memes, local historical photographs and much more.
